

This Indonesian company was formed ultimately to replace the Netherlands shipping companies in Indonesia. The "Djarkata Lloyd is in close touch with the American Isthmial Line and has already a capital of Fl. 30,000,000.

Armstrong also represents the United States Steel Corporation. According to French information very large American arms dumps from the Pacific were sold through Armstrong.

b) Marcel WOLF.

Office address; Buitenhof 47, the Hague
Home address : Walsdorperweg 161, the Hague.

Before 1940 he was known on account of his large international transactions of a very doubtful nature and was concerned in suspected arms deliveries to both sides in the Spanish Civil War. He is now active with regard to international trading in arms. Via Professor Dr. Duljff weapons to the value of Fl. 20,000,000 were offered to Sukarno (President of Indonesia) before the transfer of sovereignty and later for a smaller amount to Westerling. Both transactions had among other things concessions as counter values.

c) Professor Dr. J.W. DULJFF

Born in Arnhem 7th March 1907. Professor at Leiden University and living at Churchillaon 182, Amsterdam. From 1940 to 1945 he held a function in Amsterdam in the Netherlands resistance movement. As a result he was attached to the staff of H.R.H. Prince Bernhard from 1945 to 1948. In December 1949, however, it became known that under continual misuse of his Royal Highness' name he was taking part in politics. It was established that he is in close touch with ARMSTRONG and Marcel WOLF and tried to bring about the delivery of weapons to Sukarno and Westerling. He is in very close touch with the Moslem leader Professor Ali SHAH and is active for and with Ali SHAH in the matter of deliveries of arms. Professor DULJFF is in close contact with the N.V. MONTAN (Montan Ltd.) in England. There are data which show that via the Montan Co. shady transactions take place in metals and that indirect interest for the international trade in arms exists.

Professor DULJFF travels regularly to both London and Paris and is in touch with among others Victor Baron OPPENHEIM in Cologne. This latter proposes large transactions in metals contrary to international regulations. Professor DJUIFF wants to go to America. Unconfirmed reports mention that among other things he plans to negotiate Ali Shah's dubious concessions in the American business world.

d) Mr. Johan Robert CARP

Born in Pekalongan 13th January 1897; lives at Wdeck Pymontlaan 20, Amsterdam. According to French information CARP sees to the deliveries of weapons for the Middle East. He told his brother that he earns a great deal of money by, among other things, delivering Sherman tanks to Pakistan. It is not known if he only looks after the Middle East or if he does in fact do business with Pakistan. He works with, among others, Sjeff de GROOT, who travels regularly to Germany, and has special connections in that country. From 1945 to 1947 CARP was detained as a political delinquent.

e) A.D. van BUREN .

Director of the N.V. MONTAN. During the war was interned in the Isle of Man. Is a very active follower of Professor DULJFF, and the two of them have frequent conferences with Professor ALI SHAH and German business men, among others Victor Baron OPPENHEIM, during which the smuggling
